

The Robert Crown Center Michael and Linda Program

Tuesday April 3rd, 7-8:30 pm

5TH Grade Girls and Boys

The Robert Crown Michael and Linda Programs will be offered on Tuesday April 3, 2018 from 7-8:30 pm at Monroe School.

- The 5th grade GIRL program will take place in the MRC.
- The 5th grade BOY program will take place in the Gym.

Please arrive 10 minutes prior to the start time. The program will run approximately 90 minutes.

This program will discuss the emotional and physical changes that pre-teens experience. **Students must be accompanied by an adult.** We strongly recommend that children attend with a parent of the same gender (boys come with their fathers and girls come with their mothers). If this is not possible, you may send your child with a friend and his/her parent or with a family member of the same gender.

More information regarding the content of this program can be found online at www.robertcrown.org. Look under the heading "Education" and choose grade 5 from the "Find Programs by Grade Level" section. Both the Michael and Linda programs are described in detail.

This program is paid for by the Monroe School PTO. If you have further questions, please email Carrie Earley at president@monroeschoolpto.com.
