

Presentation: The Digital Age, is my Child Ready?

Where: Prospect School on Tuesday, March 13, 2018

Time: 6:30 pm

Speaker: Jeff Bean- President of **Act on Bullying, Inc.**

Jeff is a 19 year veteran of a suburban Chicago Police Department, and has dealt with juveniles for his entire career. He uses his training and experience to help students, parents, and schools deal with the dangers of bullying and cyberbullying.

Presentation Topics:

- Discuss the benefits and dangers about social networking sites, and cell phone apps that are the most popular with our children
- Show parents what our kids are **really doing** online
- Review state law, and share current information from actual investigations related to cyberbullying
- Discuss survey results taken from over 2,000 kids about the topics of cyberbullying, social networking, and cell phone use by kids
- Offer suggestions and solutions for parents, on how we can work together to keep our kids safe in the ever-changing Digital Age
