

Monroe School

Monroe Milers Club **Fall 2019**

Dear Monroe School Parents:

Mrs. Andreoni and Ms. Golden are sponsoring the Monroe Milers Club at Monroe School.

All of the students at Monroe School are invited to participate in our before school Monroe Milers Club. This is an opportunity for our students to tune up their cardiovascular endurance. Students will be able to walk or run the designated mile course before school earning "Mile Tokens" for each mile completed during the Monroe Milers Club. Tokens may be attached to shoe laces or worn on a lanyard.

The club meets from 7:55 to 8:25 am (rain or shine). We will meet on the basketball court outside on warm, sunny days. In the event of rain or cold weather the students will meet in the gym for Milers.

There is no fee. "Mile Tokens" are provided by Monroe School. Unfortunately we will not be able to replace lost tokens. If you would like your child to participate in Monroe School Milers Club, please sign and complete the permission slip below. Return permission slips to either Mrs Andreoni or Ms. Golden.

If you have any questions, please feel free to email Mrs. Andreoni at landreoni@d181.org

Sincerely,

Mrs. Andreoni, Physical Education Teachers
Ms. Golden, Art Teacher

Before School Milers 7:55-8:25
