

2019-2020 INDIAN GUIDES: SHOSHONE/IROQUOIS TRIBE

The Shoshone/Iroquois Indian Guide Tribe is comprised primarily of boys from K-5th Grade in the Hinsdale area.

Guides is a great activity for boys and their dads without requiring a high number of commitment hours. Generally the focus is on **CAMPOUTS**, staying in CABINS at unforgettable regional camps, a popular water park/ski weekend, and philanthropic community outreach opportunities.

Our next event is Fall Campout at the superb Camp Tecumseh, October 25-27th. Registration is open now. Kids will enjoy a wide range of outdoor activities, including horseback riding, while spending quality time with their dads. This is a really wonderful experience. Contact Chief Steve below for more information.
