

Monroe School VIRTUAL Monroe Milers Club Fall 2020

All of the students at Monroe School are invited to participate in Monroe Milers Club. This is an opportunity for our students to tune up their cardiovascular endurance. Students are responsible to walk or run their own one mile course at home, under the supervision of parents. Students may use electronic devices to track miles.

“Toe Tokens” are earned for each mile completed during the Virtual Monroe Milers Club. Tokens may be attached to shoe laces or worn on a lanyard. **Monroe Milers Fall dates will be from October 12 to November 8.**

Students may receive **No More Than 5 Toe Tokens Per Week.** Please use the Monroe Milers Log and have your parents sign it. This log may not be submitted until **after November 8th.** Tokens will distributed to all hybrid students during the school day. Remote students can arrange to pick up tokens before or after school. Bonus feet will also be awarded, after the completion of fall milers. Please fill out the Bonus Feet Form.

Monroe Milers logs can be submitted by taking a photo of it and then attaching it in an email to landreoni@d181.org or turned into your hybrid teacher.

Lace up your running shoes!! We can't wait to see all those miles add up!

Mrs. Andreoni and Ms. Golden
